Dear Parents/Guardians,

My name is Mrs. Melissa Carter, and I feel privileged to be your child's grade 5/6 teacher for this year! We have many exciting things planned for this year. Some of the things we will be learning about include: People and Stories of Canada to 1867 (Social Studies), Weather (Science), Personal and Social Management (Health), Histoires en Actions (French), and Printmaking (Art).

I completed the Bachelor of Arts Degree Program at the University of Manitoba, with a major in English and a minor in Geography. I also completed the Bachelor of Education After-Degree Program at the University of Winnipeg, specializing in the early and middle years streams. I have successfully completed courses in At-Risk Children & Youth, and Programming for Special Needs. I enjoy drawing and painting in my spare time, and am familiar with the elements of Art and the Principles of Design.

This will be my seventh year teaching, and my fourth year at the grade 5/6 level. I have previously taught grades 2, 4, and 7/8. I believe in being kind yet firm, following a student centered approach that is grounded in the mutual respect between the students and myself. I am a highly motivated, empathetic individual. Music is a major component of my life. I enjoy singing, I play the organ and am trying to teach myself how to play the guitar. I also enjoy reading, card making, sewing, and badminton.

I believe communication between parents and teachers is crucial! Please feel free to contact me if you have any questions or concerns regarding your child. I can be reached at the school by: phone (853-7929), email (mcarter1@sunrisesd.ca), or by a note in the Agenda Books, which I check daily. I am looking forward to working with you, and getting to know your child. Thanking you in advance for your support!

Sincerely,

Mrs. Melissa Carter
